

MINDTRAVEL *Sedona*

Join us at Enchantment Resort for an immersive, melodic experience led by Murray Hidary, celebrated pianist, classical composer and founder of *MindTravel*. Murray's improvisational compositions, inspired by the red rocks of Boynton Canyon, are played live to individual headphones and inaudible to the outside world.

Thursday JUNE 13, 2019

6:30pm | Open Seating Begins Croquet Lawn

Arrive before the start of the open-air show to ensure preferred seating. Drinks will be available for purchase.

7:00pm – 8:00pm | *MindTravel* Concert Croquet Lawn

Through *MindTravel* wireless headphones, listen to the music of Murray's piano as he composes a concert in real time in front of you.

8:30pm – 10:00pm | VIP Meet & Greet View 180

Following the concert, meet Murray Hidary, the renowned artist who found healing through music. Enjoy this exclusive reception, available only to VIP ticketholders, which includes gourmet bites, beer and wine.

Friday JUNE 14, 2019

8:00am – 9:00am | *MindTravel* Nature Walk Activity Center

Listen to the sounds composed for the Canyon as Murray leads you through the resort grounds. All *MindTravel* Sedona attendees are invited to participate in this mindful morning experience.

Availability is limited. Please confirm your participation by emailing natalia.davis@enchantmentgroup.com

MEET THE ARTIST

A graduate of New York University, composer and pianist Murray Hidary found healing through sound. He believes that with music as your teacher, you can peel back layers of one's self yet unseen.

ABOUT MINDTRAVEL

Founded in 2013, *MindTravel* is an immersive musical experience that takes place in iconic destinations around the world. Murray Hidary's improvisational compositions, played in real-time to an audience through wireless headphones, inspire participants to set an intention and embark on a mindful musical journey.
